

# KiPS

(Kindergarten Prep School)

**What is KiPS?** – A “jumpstart” into kindergarten program sponsored by Central Noble Schools and the Noble County Public Library. This program will help boost your child’s kindergarten readiness as they start school in the fall. This program will be led by CN teachers and NCPL Children’s Librarians.

**How much does KiPS cost?** – The majority of KiPS funding comes from local businesses, organizations, and granting sources. A small fee of \$10 is requested at the time of registration. However, we want EVERY incoming CN kindergartner enrolled in KiPS so scholarships are available if needed. Some, if not all, of the registration fee will be used to provide school supplies from the supply list provided by the school. No child will be turned away based on the families’ ability to pay this fee.

**Who can attend KiPS?** Any child in the Central Noble School district that is eligible for kindergarten in 2023-2024 can register and attend.
